

Madre Dolcissima

Zucchero

Nothin' is shakin'
Nothin' but me and the rent
Jesus is breaking
Why'm I back here again?
Can't find my soul, oh no
Not since I don't know when
Lost in a hurricane
Still I go on Nothin' is shakin'
Nothin' but me and the rent
My heart is aching
I'm 'bout as bad as it gets
I love you because I need to
Not 'cause i needed you
Lost in a hurricane
Strugglin' on Mama! Salvami l'anima
Mama! Salvami l'anima
Mama! Salvami l'anima
Mama! Saving my soul for me
Saving my soul for me Nothin' is shakin'
Nothin' but me and the rent
Not 'cause i'm breaking
I'm on my knees here again
Madre dolcissima
Caress my aching head
Lost in a hurricane
But I go on
