Only Summer Knows

Susana

You have been alone for so long
I know you've seen the dark edge
Lost in personal
And you lost your faith in love
But love is always try to find you
Bring us back to life
Can you remember
Scattered picture
The love you left behind
Can you remember
The long, hard summer shined
Through me in the sun
Only summer knows
I didn't want it to end
The power of our hearts
Could lie down the day
Summer knows
We shall wade in the moonlight
Relieving mammoth good life
Can you believe again
Only summer knows
Only summer knows
I didn't want it to end
The power of our hearts
Could lie down the day
Summer knows
We shall wade in the moonlight
Relieving mammoth good life
Can you believe again
Only summer knows
