

Are You Still in Love With Me?

Tift Merritt

After everything I told you
After how I said it'd be
After all I did to hurt you
Are you still in love with me? Are you still in love with me?
Are you still in love with me?
Without my kiss are you lonely?
Are you still in love with me? When you walk a street of strangers
When you stop and look for free
When you think about tomorrow
Are you still in love with me? Are you still in love with me?
Are you still in love with me?
Without my kiss are you lonely?
Are you still in love with me? Is it just now that we are leavin'?
Is it the age of harder times?
That makes what never satisfied me
Look loving and fine Does this mean that it's real?
Does this mean that I'm through?
I wake up late at night
Thinking that I still love you Are you still in love with me?
Are you still in love with me?
Without my kiss are you lonely?
Are you still in love with me?
Are you still in love with me?
