

Power

At Vance

Now that I'm a child of God
I'm not the man I used to be
Oh what a great change in me
Released my shackles, now I'm free
 Gave me life eternally
 Makes me do right when
 I wanna do wrong
 There's no more looking at my face
 Filled with disgrace
 Over what I've done
 Thank you for your Son
 You never turned away
 From Mama when she prayed
 Save our soul one day
 And then he gave me
 Power
 To walk right
 Power
 To talk right
 Power
 To the live right
 Power
 Oh I'm all right, all right

 No more looking back for me
 I'm going to serve him faithfully
 I'm going to give him all I have to give
 For there's a world that needs to know
 How much the Lord loves them so
 And I'm going to tell it everywhere that I go
 I'm going to stay on my feet
 Lord help me please
 To do your perfect will
 Your purpose I must fill
 I must preach your holy world
 To those who never heard
 Each and every hour
 Because you gave me
 Power

To walk right
Power
To talk right
Power
To the live right
Power
Oh I'm all right, all right
