How Old Is Your Soul?

Combichrist

AwayEven at the gates of hell
Not forgotten, no regrets
It's in our hands but all for nothing
Oh say it's inside of meThey litter your eyes
Follow your soul
Why do you lie?
Swallow your craze
Fall to the ground
"Nobody cares" is all you say to me"Follow through" is all you mentioned
Always feel it's all for him
Didn't fake it, sober now
It's all over now, there is no forgivenessThey litter your eyes
Follow your soul
Why do you lie?
Swallow your craze
Fall to the ground
"Nobody cares" is all you say to me(They litter your eyes
Follow your soul
Why do you lie?
Swallow your craze
Fall to the ground
"Nobody cares" is all you say to me)X3
