Take Me Away

Oasis

Just when it falls apart and when its time to start
Will you sit down here for another day?
And when its time to be all the things that we
Are wishing away for another day'Cos me and my soul, we know where were goin'
Were goin' where the grass is free
And the air is clean and the good times are growin'
So take me away, just for today
'Cos Im sad here, on my ownId like to be under the sea
But Id probably need a phoneAnd just when it falls apart
And just when its time to start
Will you sit down here for another day?'Cos me and my soul, we know where were goin'
Were goin' where the grass is free
The air is clean and the good times are growin'
So take me away, just for today
'Cos Im sad here on my ownId like to be under the sea
But I'd probably need a phone
I could be you if I wanted to
But Ive never got the timeYou could be me
And pretty soon you will be
But youre gonna need a lineNeed a line
Need a line
Need a line
