# Ugly

## Code Orange

Please leave
Just make it easier on me
Mind in a jar and it's easy to see
That all I want for you is to bleed on meGreen is the color of power and greed
But now blood red's the only thing I can see
Live like a loser, die like a king
Ugly is the only way I know how to beAll I want is to finally concede
That the way that I've been thinking's not the best way to be
That the way I've been living makes it harder to breathe
That my instincts might not be as sound as they seemGreen is the color of power and greed
But now blood red's the only thing I can see
Live like a loser, die like a king
Ugly is the only way I know how to beUgly
Ugly
UglyLay me on the grass
Put me to bed
Get these sick, sad thoughts
Out of my headUgly
UglyUgly
Ugly
UglyGreen is the color of power and greed
But now blood red's the only thing I can see
Live like a loser, die like a king
Ugly is the only way I know how to beGreen is the color of power and greed
But now blood red's the only thing I can see
Live like a loser, die like a king
Ugly is the only way I know how to beUgly
