

# Tryin' To Change Me

## Chamillionaire

[Intro - Chamillionaire - talking](Chamillitary mayne)

Hey I'ma go ahead and keep it real

I ain't taken media training, know what I'm sayin'?

I just feel like I just wanna do me (that's right)

Know what I'm talkin 'bout?

They know who I am (yeah)

Chamillinator, Mixtape Messiah 2

Lets go

[Chorus - Chamillionaire - 2X] ["hey" repeated in third and fourth lines of Chorus]They keep on tryin change me

but y'all know I'ma gon' always keep it street

I'm the hustle man, up in these streets

I make what you made in a year in a week

[Interlude - Chamillionaire - talking]Hey look, it's the Chamillinator

and you're tuned into Mixtape Messiah Part 2

And the ad libs say it all, I do it big baby

Ultimate Victory, March 27th, haha, watch out

Y'all know what time it is

[Break - Chamillionaire - talking over Interlude]Do it, do it, do it, do it, do it, do it

I do it big!

Do it, do it, do it, do it, do it, do it

I do it big!

Do it, do it, do it, do it, do it, do it

I do it big!

Do it, do it, do it, do it, do it, do it

I do it big!

[Verse - Chamillionaire]I got a hungry fanbase in the streets, so I gotta feed it

Mixtape Messiah, completed, history get repeated

What up Cham? It's Universal, where's your album? We need it

Like "Ridin Dirty," can you beat it? \*er\*, message deleted

Gettin throwed off in the crowd, make it look like a brawl (brawl)

If anything get throwed into yours, it look like a towel (towel)

Keep that look right off your face, because it look like a scowl

These suckers think that I'ma sucker, eeeah, ain't one of y'all

My fanbase is a cult, they doin everything that I tell 'em

Appreciate me, keepin it real and purchase everything that I sell 'em

Couldn't get down with that slavery so at labels I wasn't gellin

Now I can ball like Tevin, on the Northside of Levin Reverend

Hallelujah, I made a considerable amount of moolah

So I boota, the world I'ma dangerous as the shooter  
Hallelujah, they love how I lyrically send hollows through ya  
Not a ruger, but I do got the flow that be goin BOOYAH!  
I ain't never really been trippin about it, if you got your posse  
Cause I got some partners with me that will pop off like paparazzi  
Don't try to see me and show me some love, tellin me that you got me  
Takin over's my new hobby and you ain't 'bout to stop me  
I let a woman show up late (late), ain't really no need to clock her  
They say that time is money, if she's late then it will cost her  
I let a woman off her leash (leash), ain't really no need to watch her  
They act right, like a Oscar is something I got to offer  
Hey, so get your act on just like Kevin Costner  
And I continue to be the Mixtape Mi-Mi-Mivasa  
They say that talk is cheap, so don't come to me bein a talker  
50K is what conversation with me will cost ya  
[Chorus][Break]
