

Devil In Me

ELAN

I don't know how we got here, but I'd do it all over again in a blink of
an eye. I'd like to make you some coffee in the morning, pretend
someday I'll be a real housewife. I'm not good at explaining myself, I just found myself as well. And
now you know what color my heart is and whose side I'm really on. Please lend a hand, please make a stand.
Please lend a hand, please don't be sad. You caught me lying by the devil in me.
And I was a poet before I came to this place. I know I hurt you, I'm sorry for giving you heart a brand new
scar. I would really appreciate it if you could give me a brand new
start. This is a short road leading to the real me, you're brave if you decide
to walk it. We'll listen to John sing "Oh Yoko" and remember the places
we've been.
