

# Harvest

John P. Kee

Oh lord I've come to receive my blessing  
Patiently awaiting for the harvest is nigh  
I got that Hebrews 11:1  
Faith to know my blessing shall come  
It's mine all mine  
It's harvest time

I'm standing (I believe)  
On Your promise (I believe)  
I'm existing (I believe)  
On Your word (I believe)

Everything (I believe)  
That I speak (I believe)  
I believe (I believe)  
You'll give it to me (I believe)

Now it's the Father's (I believe)  
Real good pleasure (I believe)  
That the Kingdom (I believe)  
Get in line (I believe);  
(It's mine all mine)  
(It's harvest time)

Oh lord I've come to receive my blessing  
Patiently awaiting for the harvest is nigh  
I got that Hebrews 11:1  
Faith to know my blessing shall come  
It's mine all mine  
It's harvest time

I'm believe in Him (I believe)  
For great things (I believe)  
He promised me (I believe)  
A long time ago (I believe)

I know (I believe)  
I'm gonna get it (I believe)  
'cause the Bible (I believe)

Tells me so (I believe)

Now it's the Father's (I believe)

Real good pleasure (I believe)

That the Kingdom (I believe)

Get in line (I believe);

(It's mine all mine)

(It's harvest time)

Oh lord I've come to receive my blessing

Patently awaiting for the harvest is nigh

I got that Hebrews 11:1

Faith to know my blessing shall come;

It's mine all mine anything I need

It's mine all mine it's harvest time

My blessing

My blessing's on the way

[Repeat as desired:]

It's mine all mine anything I need

It's mine all mine it's harvest time

There's a blessing in store for me

There's a blessing in store for me

I'm gonna get mine

Gonna get it get it

Gonna get mine
