

Moves Like Sims

WinterSpringPro

Just build me a house,
and a hot wife,
Then buy us cool stuff,
It's the sweet life,
We don't have free will,
So do as you will,
We cannot say no.

I have no control,
I'm a puppet,
We do what we're told,
Don't abuse it,
My bladder is full,
I ate too much food,
Please let me go poo.

And it goes like this,
Click me with your mouse, I'll obey you,
Let me go make woo-pee I'll show you
All the moves like sims,
He's got the moves like sims,
She's got the mooooooves like sims.

Click on where to go, I'll follow,
Check out my green diamond, I'll own you,
All the moves like sims,
I've got the moves like sims,
We've got the mooooooves like sims.

Give me a pool,
I'll go swimming,
The ladder is gone,
Now I'm drowning,
I'm down on my knees,
I'm begging you please,
I really can't breathe.

Oh, the dishes are gross,
They're so filthy,
I want to go bathe,

You wont let me,
My hygiene is low,
Just thought you should know,
I still have to go.

And it goes like this,
Click me with your mouse, I'll obey you,
Let me go make woo-pee I'll show you
All the moves like sims,
He's got the moves like sims,
She's got the mooooooves like sims.

Click on where to go, I'll follow,
Check out my green diamond, I'll own you,
All the moves like sims,
I've got the moves like sims,
We've got the mooooooves like sims.
