

Re-Align (Acoustic Version)

Godsmack

Decisions made from desperation
No way to go
Internal instincts craving isolation
For me to grow My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realign Fell in a river of illusion
And apathy
Drowning in a self-induced confusion
I'd rather be YEAH! My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realign My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realign My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realign My fears come alive
In this place where I once died
Demons dreaming
Knowing I... I just needed to realign Yeah!
