Little Star

Chicks On Speed

Where are you, little star
Twinkle twinkle little star
How I wonder where you are
Wish I may, wish I might
Make this wish come true tonight
Searched all over for a love
You're the one I'm thinkin' of
Twinkle twinkle little star
How I wonder where you are
High above the clouds somehwere
Send me down a love to share
Oh there you are, high above
Oh dear God, send me a love
Oh there you are, you're lighting up the sky
I need a love, a real real, my
Twinkle twinkle little star
How I wonder where you are
Wish I may, wish I might
Make this wish come true tonight
There you are, little star
