

# Stay Where You Are

## Ambulance Ltd

Tell everybody I'm leaving  
Not treading water today  
I've left the spoons in the backroom  
It's better ending this wayI'll crave a fortune forever  
You are ripped into the fray  
You get to be all excited, baby  
You get to wear it againBut don't worry, I'll be there  
Unless you try to gain my defences  
Don't worry, I'll be there  
Unless you walk awayStay where you are  
Stay where you areTell everybody I'm leaving  
Not treading water today  
I've left the spoons in the backroom, baby  
It's better ending this wayBut don't worry, I'll be there  
Unless you try to gain my defences  
Don't worry, I'll be there  
Unless you walk awayStay where you are  
Stay where you areDon't worry, I'll be there  
Unless you try to gain my defences  
Don't worry, I'll be thereStay where you are  
Stay where you are  
Stay where you are
