

The Closer I Get To You

Roberta Flack

The closer I get to you
The more you make me see
By giving me all you've got
Your love has captured me

Over and over again
I tried to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel

Lying here next to you
Time just seems to fly
Needing you more and more
Let's give love a try

Sweeter and sweeter love grows
And heaven's there for those
Who fooled the tricks of time
With the hearts of love they find
True love
In a special way

The closer I get to you
The more you make me see
By giving me all you've got
Your love has captured me

Over and over again
I tried to tell myself that we
Could never be more than friends
And all the while inside
I knew it was real
The way you make me feel

The closer I get to you
The more you make me see
By giving you all I've got

Your love has captured me

The closer I get to you
A feeling comes over me

Me too

Pulling closer sweet as the gravity
