

# Patience

## Guns N' Roses

One, two, one, two, three, four  
Shed a tear because I'm missing you  
I'm still alright to smile  
Girl, I think about you every day now  
Was a time when I wasn't sure  
But you set my mind at ease  
There is no doubt you're in my heart now  
Said, woman, take it slow  
And it'll work itself out fine  
All we need is just a little patience  
Said, sugar, make it slow  
And we'll come together fine  
All we need is just a little patience  
Patience I sit here on the stairs  
Cause I'd rather be alone  
If I can't have you right now I'll wait, dear  
Sometimes I get so tense  
But I can't speed up the time  
But you know, love, there's one more thing to consider  
Said, woman, take it slow  
And things will be just fine  
You and I'll just use a little patience  
Said, sugar, take the time  
'Cause the lights are shining bright  
You and I've got what it takes to make it  
We won't fake it  
Oh, I'll never break it  
Cause I can't take it  
Little patience, mhh yeah  
Need a little patience, mhh yeah  
Just a little patience, mhh yeah  
Some more patience I've been walking the streets at night (yeah)  
Just trying to get it right (Need some patience)  
It's hard to see with so many around (yeah)  
You know, I don't like being stuck in the crowd (Could use some patience)  
And the streets don't change but,  
baby, the names (yeah)  
I ain't got time for the game (Gotta have some patience)  
'Cause I need you, yeah (yeah)  
Yeah, but I need you (All it takes is patience, yeah)  
Oh, I need you (Just a little patience)  
Oh, I need you (Is all you need)  
Oh, this time
