Hot In Here

Rascal Flatts

She jumped in my truck in her bare feet
Slid on over to the middle seat
Baby crack a window,
Crank that AC, high as it can go
Sign at the bank says it's seventy one
But it feels like we're seating on the sun
That little cotton dress ain't helping none
'Bout to run me off the roadAnd I, I can barely breathe
Then she puts her hand, over on my knee
And I don't know what to do
Doin' everything, tryin' to keep my coolBut it's hot, hot, hot in here
Ooh, so hot, hot, hot in here
Yeah, I can't take her anywhere
It's so hot, hot, hot in hereSo I took a turn heading for the creek
That suntanned skin was a sight to see
Soon as she got in I could see the steam
Rising up off the waterAnd I, I can barely breathe
When she wraps her arms all around me
And I don't know what to do
Doin' everything, tryin' to keep my coolBut it's hot, hot, hot in here
Oh, so hot, hot, hot in here
Yeah, I can't take her anywhere
It's so hot, hot, hot in hereWhen we dried off by the bank, it was getting dark
We threw a blanket on the ground, underneath the stars
Shoulda' been a little cooler in the moon light
When she laid her lips on mine
Oh she laid her lips on mine
Oh yeahAnd I, I can barely breathe
Anytime when she's anywhere close to me
And I don't know what to do
Doin' everything, tryin' to keep my coolBut it's hot, hot, hot in here
Oh, so hot, hot, hot in here
Yeah, I can't take her anywhere
So hot, hot, hot in here
So hot, hot, hot in here, yeah (I can't take her anywhere)
It's so hot, hot, hot in hereSo hot in here
Anytime she's close to me
Yeah it's so hot, hot, hot in here
