A Hole In The Wall

Kmfdm

When I have to die I want to strangle myself in your black hair
When I have to die I want to suffocate between your sweet breasts
When I have to die I want to be blinded by your brown eyes
When I have to die I want to cut my veins on your lips
I have not yet ruled enough
My hands in chains
The break, the hole in the wall

When I have to die I want to starve in your lap
When I have to die I want to burn in your bed
When I have to die I want to drown in your heat
When I have to die I want to be poisoned by your blood
When I have to die I want to melt away from your kiss
And then when I'm dead, bury me close to your heart
