## System of a Down

Poisoning a drink  
Bleeding in a sink  
Choking with a link  
Killing with a stink  
Just your mother's  
HoBleeding in a sink  
Poisoning a drink  
Burning up  
My sweet ClementineTrampling a shrink  
Bleeding in a sink  
Hallelujah wink  
Getting on the brink  
Just your mother's  
HoHallelujah wink  
Murdering a shrink  
Burning upOn my sweet revenge  
Will be yours for the taking  
It's in the making babyMy sweet revenge  
Will be yours for the taking  
It's in the making babyKilling with a stink  
Bleeding in a sink  
Poisoning a drink  
Getting on the brink  
Just your mother's  
HoBleeding in a sink  
Trampling a shrink  
Burning up  
My sweet ClementinePoisoning a drink  
Bleeding in a sink  
Choking with a link  
Killing with a stink  
Just your mother's  
HoPoisoning a drink  
Bleeding in a sink  
Burning upMy sweet revenge  
Will be yours for the taking  
It's in the making babyMy sweet revenge  
Will be yours for the taking  
It's in the making babyI saw her laugh

Then she said  
"Go away" I saw her laugh  
Then she said, then she said  
"Go away, away" My sweet revenge  
Will be yours for the taking  
It's in the making baby My sweet revenge  
Will be yours it's in the making  
It's in the taking, making, baking, taking, faking  
Ho  
My sweet Clementine  
Ho Shoulda been, coulda been  
Woulda been, woulda been you  
Shoulda been, coulda been  
Woulda been, woulda been you
