Do Not Disturb

Freak Kitchen

For CV's and press
Your hair cut divine
Pay that milk glass 'till yearStarbucks and buckfucks
And *unknown*
Your taxi is hereCarsino-hydrogenic cornflakes
Antibiotics state
Careful, gentle nowGlobal warming, SUV's
Metallic taste
Your space is MySpace
That Facebook profile
needs an update
Everyone's trying to cheat
Take off the bum with weed (?)
careful, gentle nowLove me, love me
Strangle me, strangle me
Jump from the balcony
of the penthouse
of the penthouseCareful, gentle now
Your *unknown*
(strangle me)
Amateur porn
just a click away
with your Microsoft optical mouse
with your optical mouse
Careful, gentle now
Where can I reach Al Gore?
This whimper is simply a boreCareful, gentle now
Do not...
