

Tell Me

Puro Instinct

All this conversation on the floor is a bore

I know I was meant for something more

than small talk cuz the night-time's for lovers & sharing secrets under covers and there's no other that I would
rather knowTell Me who you are tonight

I will never make you cry

Come with me and don't ask why

and forget about tomorrowTell me who you are tonight

I will never make you cry

Romeo and Juliet

never cared about tomorrow

Silver tongues where angels fear to tread

Spitting images of elegance

with passion to confess

and its crazy

but only love like yours can save me
from being taken by lovers I don't love

Tell Me who you are tonight

I will never make you cry

Come with me and don't ask why

and forget about tomorrowTell me who you are tonight

I will never make you cry

Romeo and Juliet never cared about tomorrow
