Insurgents

One Click Malice

What is the difference
Between a leader and a martyr?
Where's the resistance
From the people in the darkness?
Now who's the oppressor?
The master pulling the strings.
Now feel the aggression
From the insurgents in the wings.

HEY x4

I can't protect you
I can't let you go
This love is a void zone
Just leave me alone
I'm the insurgent

Fall in through the ranks
Take your place on the frontline
Feel no sympathy
When you're reaping through the masses
One light in the darkness
Shines brightly overhead
Ascend from the madness
Or you're gonna end up dead

I can't protect you
I can't let you go
This love is a void zone
Just leave me alone
I'm the insurgent

Huh!

You can't see us
We hide behind your back
We stalk you at night
And soon we will attack
You fear us
But you don't know who we are

We are the insurgents

I can't protect you
I can't let you go
This love is a void zone
Just leave me alone
I'm the insurgent.
