

Upper Hand

Rebelution

Upper Hand

Verse 1

Said I wouldn't waste all this time on you, but I do
Losing all my days trying to escape you, but it's useless
Always turning my head like I'm chasing clues
I wanna walk away but I know I am fixed on you
You got me thinking backwards
Running circles and I don't know what to do
Well I don't know what to do

(Chorus)

I can't stand you've got the upper hand, but I like the way you use it
And I don't wanna loose ya
I just hate the way you put my strings, but I love the way you use me
And oh it's so confusing

Verse 2

Here I am again lost up in your maze and it's crazy
Told myself I'd leave but then I caught your gaze, it's so amazing
Always turning sideways like I'm chasing clues
I wanna walk away but I know I am fixed on you
You got me thinking backwards
Running circles and I don't know what to do
Well I don't know what to do

(Chorus)

I can't stand you've got the upper hand, but I like the way you use it
And I don't wanna lose ya
I just hate the way you put my strings, but I love the way you use me
And oh it's so confusing
What you doing to me?
And here I am again
I can't stand you've got the upper hand, but I like the way you use it
And I don't wanna lose ya
I just hate the way you put my strings, but I love the way you use me
And oh it's so confusing
I can't stand you've got the upper hand, but I like the way you use it
And I don't wanna lose ya
I just hate the way you put my strings, but I love the way you use me
And oh it's so confusing
What you doing to me
