Celebration

Temples

Can't stop my thoughts from gathering energy
Can't separate the real from day to day
Thoughts from unfamiliar
Outside the picture
Life is strange in some familiar wayBefore you know where you are
If falls apartCelebration
In control of you
Transformation
Into something newBefore you know where you are
It falls apartCan't seem to keep my head in reality
Fear and emotion day to day
Strange in familiar ways
Relevant thoughts have strayedBefore you know where you are
It falls apartCelebration
In control of you
Transformation
Into something newCelebration
In control of you
Transformation
Into something newBefore you know where you are
It falls apartBefore you know where you are
It falls apart
Before you know where you are
It falls apartBefore you know where you are
It falls apartBefore you know where you are
It falls apart
