Fingerpops

Garageland

I drive my car up to the lake as if there's someone to awake.
Haven't been to bed for days,
I live in a twilight haze.
I set my heart to the setting sun
And hope that no one
Else has done it.
The drink is never far,
Open up the bar.I miss you every single day.
Wait until the stars go away.
I hate the way I've strayed into
These perfect days.
And I love the way your
Fingers pop.
I drive my car up to the lake
As if I'm someone to a wake
The drink is never far,
Open up the bar.
I miss you every single day.
Wait until the stars go away.
I hate the way I've strayed into
These perfect days.
And I love the way your
Fingers pop.Love the way your fingers pop...
