

# Rest Of My Life

## Unwritten Law

Am I the only one that feels alone?  
Though all is home  
Emotions flowAm I the only one that hears the tears  
Run down my face?  
Would anybody recognize at all?'cause I know  
I'm so slow  
But I'm trying  
And I'm still dying to know  
Say you won't leave for the rest of myLife's the only thing that deals the pain  
Like pouring rain now  
Breeding hateAnd I don't want to do no wrong  
My God, it's been so long  
Please comfort me before I go insane'cause I know  
I'm so slow  
But I'm trying  
And I'm still dying to know  
Say you won't leave for the rest of my lifeI know  
I'm so slow  
But I'm trying  
And I'm still dying to know  
Say you won't leave for the rest of my lifeThe rest of my life  
Na na na na naShe saidI'm slow  
But I'm trying  
And I'm still dying to know  
Say you won't leave for the rest of my  
I can't have you leave for the rest of my  
Say you won't leave for the rest of my life
