

# Curtains Close

## Arctic Monkeys

I said I wanted it long but you cut it short  
And now I'm catching a cold  
I told you not but no crack in the doobie  
But it was already rolledOh, I turned down my lights  
And my curtains weren't closed  
I turned down my lights  
And my curtains weren't closedOh well, I turned down my lights  
And my curtains weren't closed last night  
Oh baby, I must be madWell, I don't care about your massage oils  
It's got my skin going red  
'Cause I'm a mad motherfucker  
With my curtains open sitting tucked up in bedI turned down my lights  
And my curtains weren't closed  
I turned down my lights  
And my curtains weren't closedOh well, I turned down my lights  
And my curtains weren't closed last night  
Oh baby, I must be madI turned down my lights  
And my curtains weren't closed  
Oh well, I turned down my lights  
And my curtains weren't closedOh yeah, well I turned down my lights  
And my curtains weren't closed last night  
Oh baby, I must be mad
