

# Blank Page

## Alice Peacock

Blank page, fill me in  
Tell me where I begin  
I don't know how to handle this  
There's nothing to cross off my list Standing still is full of pain  
I hope I find some peace someday  
Exposed and naked  
Why is life so complicated? I wish things were more simple  
I wish I learned by example Standing still is full of pain  
I hope I find some peace someday  
And maybe Divinity  
What it really means Is to give away what you think you need  
Who you think you are?  
Who you wanna be?  
And just be here now Standing still is full of pain  
I'm counting on your saving grace  
Not my will but thy will be done  
Thy will be done
