

# Wasteland

## Against The Current

Have I lost my mind?  
Is this paradise?  
Or a darker side?  
Candy coated lips  
You're the sweetest kiss  
But a bad trip Changing faces  
Know the name but I just can't place it  
Slurring phrases  
Took a step but I can't retrace it  
You tell me, "Take this"  
But I don't wanna wake up in your  
Wasteland  
Your wasteland (I don't wanna wake up in your)  
Wasteland  
Your wasteland  
(No, I don't wanna wake up in your) Twisted fantasy  
In your ecstasy  
You're no good for me  
Just behind the wall  
It's not a dream at all  
It's a free fall Changing faces  
Know the name but I just can't place it  
Slurring phrases  
Took a step but I can't retrace it  
You tell me, "Take this"  
But I don't wanna wake up in your  
Wasteland  
Your wasteland (I don't wanna wake up in your)  
Wasteland  
Your wasteland  
(No, I don't wanna wake up in your)  
I don't wanna wake up in your Changing faces  
Slurring phrases  
Nothing changes  
In your waste-  
I don't wanna wake up in your  
Wasteland  
Your wasteland (I don't wanna wake up in your)  
Wasteland

Your wasteland  
(No, I don't wanna wake up in your wasteland) Changing faces (In your wasteland)  
Slurring phrases (I don't wanna wake up in your)  
Nothing changes  
In your waste-  
I don't wanna wake up
