Never Too Late

[Bad Company](#)

Last night, you said you didn't know what you wanted
Baby that's all right, I can help you see this one through
I know you won't leave him, you think it's all wrongWhy don't you open your eyes
You're so unhappy but you keep hanging on
So trust me, baby and you'll seeIt's never too late to change your mind, get out
And take what you need, it's never too late
So take your time, you just gotta believeOne day, you'll look back and think you were crazy
There's no way, that's how it gets you sometimesRight now, you can't let him go, there's something
Inside you, I won't tell you, you should know
It's so clear, baby, I'm right hereIt's never too late to change your mind, get out
And take what you need, it's never too late
So take your time, you just gotta believeOne day, you'll come running to me, it's just
A matter of time, I'm right here where you know
That I'll be, so trust me and you'll seeIt's never too late to change your mind, get out
And take what you need, it's never too late
So take your time, you just gotta believe
