

# Coming Home

## Cinderella

I took a walk down a road  
It's the road I was meant to stay  
I see the fire in your eyes  
But a man's got to make his way  
So are you tough enough for my love?  
Just close your eyes to the Heaven above  
I'm comin' home  
I'm comin' home  
I took a ride in a world  
I'll be spinnin' for the rest of my life  
I feel your heart beatin' baby  
Ooh sometimes it cuts like a knife  
So are you tough enough for my love?  
Just close your eyes to the Heaven above  
I'm comin' home  
I'm comin' home  
I'm comin' home  
Where your love tonight can shine on me  
I'm comin' home  
Where your lovin' arms can set me free  
I took a walk down a road  
It's the road, I was meant to stay  
I see the fire in your eyes  
But a man's got to make his way  
So are you tough enough for my love?  
Just close your eyes to the Heaven above  
I'm comin' home  
I'm comin' home  
I'm comin' home  
Oh yeah, I'm on my way  
Oh yeah, I'm comin' home  
I'm comin' home  
Here we go ooh, ooh  
I'm on my way  
Come on baby, come on now  
Let your love, shine on me  
Sing along, I'm on my way  
Come on baby, ooh  
Shine on, shine on, shine on me

Come on baby, I'm on my way  
Come on baby  
Let you love shine on me  
Oh yeah, shine on me  
Oh yeah, shine on, shine on me  
I'm on my way
