

# I Give You Glory (feat. Tye Tribbett)

[Jonathan Nelson](#)

I give you glory  
Hey!  
I give you praise  
Hey!  
Because my enemy did not triumph

I give you glory  
Hey!  
I give you praise  
Hey!  
Because my enemy did not triumph

So glad the enemy  
Did not triumph

I give you glory  
Hey!  
I give you praise  
Hey!  
Because my enemy did not triumph

Everybody clap, clap

My dance says  
I can have it  
My dance says  
I can possess it

It's mine  
My healing - It's mine  
My Break - It's mine  
Provision - It's mine

Wo ooooooooooh  
Wo ooooooooooh

My dance will crush satan under my feet  
I declare I got victory

I got victory
