

# Audio Whore

## Blue Cheer

(Dickie Peterson)

See 'em in the late night  
Underneath the street light  
Sink into it all like the Audio Whore. Drivin' fine cars & makin' all the bars  
You need more call an Audio Whore  
Audio Whore! You got the money  
They got the time  
Big steel strings and man do they rhyme. High hot buns that don't dance alone  
You can't take it, honey you're on your own. Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Ooooh Yeah! See 'em in the late night  
Underneath the street light  
Sink into it all like the Audio Whore. You got the money  
They got the time  
Big steel strings and man do they rhyme. Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Ooooh Yeah! Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores  
Audio Whore, They're the Audio Whores (aaah, what you want)  
Audio Whore, They're the Audio Whores (you're an Audio Whore)  
Audio Whore, They're the Audio Whores (Audio Whore)  
Audio Whore, They're the Audio Whores (oooooooo....)  
Audio Whore, They're the Audio Whores....  
Audio Whore, They're the Audio Whores (yeh)
