

# No More

## Youth of Today

Meat eating flesh eating think about it  
so callous to this crime we commit  
always stuffing our face with no sympathy  
what a selfish, hardened society so  
No More  
just looking out for myself  
when the price paid is the life of something else,  
No More  
i won't participate  
we've got the power we've got the might  
to take whatever is in sight  
not even worried, it's an unfair fight  
well we've got a heart to tell us what's right  
our numbers are doubling in 88  
cause the people are starting to educate  
themselves their friends and their families  
and we'll have a more conscious society
