No More

Youth of Today

Meat eating flesh eating think about it so callous to this crime we commit always stuffing our face with no sympathy what a selfish, hardened society so No More just looking out for myself when the price paid is the life of something else, No More i won't participate we've got the power we've got the might to take whatever is in sight not even worried, it's an unfair fight well we've got a heart to tell us what's right our numbers are doubling in 88 cause the people are starting to educate themselves their friends and their families and we'll have a more conscious society
