T.H.U.G we be,
That's thug mentality we're thuggin'
Thuggin thuggin it's the way I choose to live my life

It's worldwide, even niggaz in paris and london be hustlin'
Doin whatever jus to get tha money.
Lookin at the whole world flooded with thugs, but you got to keep it
Real if you want to make it through to live gotta get in it to win it,
and makin' dough to save your kids, gotta handle your business,
gotta get in it to win it, and then you gotta get up on it, hit it.
And that's real really, my thugs feel me put your fists in the air yeah.
