Up in Flames

blessthefall

[Verse 1: Jared Warth]
You always took me for granted
And never gave me a reason why
You left me stranded feeling worthless
Now all I see is death in your eyes
All I see is death in your eyes[Pre-Chorus 1: Beau Bokan]
If you're counting all my sins
Hope they all add up so pull the pin
Watch it all go up in flames
Watch it all go up in flames[Chorus: Beau Bokan]
Don't drag me through your nightmare
Don't tear apart what I am
You've got your demons, they parallel mine
You're not the victim, you're my parasite[Verse 2: Jared Warth]
You're not the only one
How could you be so selfish?
You never lie, you'll never see the truth
Your body's rising from ashes[Pre-Chorus 2: Beau Bokan]
If you want to point the blame
Hope you marked your words, you're not a saint
Watch it all go up in flames
Watch you all go up in flames[Chorus: Beau Bokan]
Don't drag me through your nightmare
Don't tear apart what I am
You've got your demons, they parallel mine
You're not the victim, you're my parasite
Don't drag me through your nightmare
Don't tear apart what I am
You've got your demons, they parallel mine
You're not the victim, you're my parasite[Bridge: Jared Warth]

Parasite

You've got your demons, they parallel mine
You're not the victim, you're my parasite
You're my parasite
You'll never find what you lost inside
