

Hug Me

[Twinsmith](#)

If i'm doing it all wrong
If i'm doing you all wrong
There needs to be something said
There has to be something done I would never mean to shrug it off
I would never make you feel lost
My intentions are to be true
My existing thoughts are for you I will always stand by your word
You have the voice to be heard
I would never mean to hurt
You leave me no concerns If i'm doing it all wrong
If i'm doing you all wrong
There needs to be something said
There has to be something done
I would never mean to shrug it off
I would never make you feel lost
My intentions are to be true
My existing thoughts are for you
