## **Looking to Nothing**

## **Arsis**

Why do I look to you?

To redeem and fulfill

To starve and deprive

The whole of my willAnd yet I look to you

One way to bring it down

Listen, for these words are my way

And yet I look to youWhy do I look to you?

In the wake of the turning hour

To hold and sip

Upon all that has souredAnd yet I look to you

One way to bring it down

Listen, for these words are my way
