La
La la la la la
La la la la la la
La
La la la la la la
La la la la la la The night I laid my eyes on you
I felt everything around me move
Got nervous when you looked my way
But you knew all the words to say And your love slowly moved right in
All this time, oh my love, where you been** Please
I'm moaning don't you know
My love I want you so
Sugar
You make my soul complete
Rapture tastes so sweet I'm mesmerised in every way
You keep in a state of daze
Your kisses make my skin feel weak
Always nothing in your heat Lift our souls like a bird in the wind
Oh I glide like I'm flying through heaven [Repeat **, **, *][Repeat **, **, *](La la la la la la)
(La la la la la la)
