# Don't Wait for Me

## Thunder

Now I look out my window
To the street so far below
And I pray I'll see you approaching
Don't know why you had to go
It's been so long, but I feel no better
I've gotta say I'm still so alone
Will I ever get used to this feeling
And the nights so long and cold?When all I want to do is hold you
But all I seem to do is cry
And all you had to say the day you walked away
Was: "Don't wait for me, goodbye."All my friends - they smile when they see me
I guess they know what I'm going through
They don't mention your name to protect me
Now what am I supposed to do?When all I want to do is hold you
But all I seem to do is cry
And the last thing that you said
And it's ringing 'round my head
Was: "Don't wait for me, goodbye."How can I replace you?
How am I gonna get through every night?
All the time I wasted
All the pain I tasted for you
I'm losing my mindAll I want to do is hold you
But all I seem to do is cry
And all you had to say the day you walked away
Was: "Don't wait for me, goodbye."
