

First of the Last

Fight or Flight

The secret side within where have I been
I'm buried inside the soul of a mountain
It's all I've ever been too scared to waste again
Stand in the shadow of life we have chosen

I can't begin to end the fight
I'm afraid to feel the fire from inside
I can't defend the fight this time
As I fall into ashes

Stealing your life away, denial defines the fall
Choose your fate from hate to the black hole
Either way the fire escape is closed
You're the first of the last to go

Hey, hey, hey, hey
Hey, hey, hey, hey

You feel your heart begin to get violent
You're alone in a world filled with silence
You hear that voice again screaming end him
I can't take all the guilt I've been handed

I can't begin to end the fight
I'm afraid to feel the fire from inside
I can't defend the fight this time
As I fall into ashes

Stealing your life away, denial defines the fall
Choose your fate from hate to the black hole
Either way the fire escape is closed
You're the first of the last to go

Stealing your life away, denial defines the fall
Choose your fate from hate to the black hole
Either way the fire escape is closed
You're the first of the last to go

Hey, hey, hey, hey

Hey, hey, hey, hey

Stealing your life away, denial defines the fall
Choose your fate from hate to the black hole
Either way the fire escape is closed
You're the first of the last to go

You're the first of the last to go

Hey, hey, hey, hey

Hey, hey, hey, hey
