

# Nicole

## Douster

nicole

i love you

i'll never leave you

w

o you i turn to stonenicole believe me

love was meant to be

consumed by you and me

nicolenicole

i love you

i'm thinkin' of you

w

every motion i makewhen the stars are above you

know that i miss you and

i'll be there sooner than you think

nicolenicole nicole nicoleexactly theo. cocoa puff
