

# The Forgotten (Dookiefied)

## Green Day

Where in the world's the forgotten?  
They're lost inside your memory  
You're dragging on, your heart's been broken  
As we all go down in history Where in the world did the time go?  
It's where your spirit seems to roam  
Like losing faith to our abandon  
Or an empty hallway from a broken home  
Well don't look away from the arms of a bad dream  
Well, don't look away, sometimes you're better lost than to be seen I don't feel strange, it's more like haunted  
Another moment trapped in time  
I can't quite put my finger on it  
But it's like a child that was left behind  
So where in the world's the forgotten?  
Like soldiers from a long lost war  
We share the scars from our abandon  
And what we remember becomes folklore Well, don't look away from the arms of a bad dream  
Well, don't look away, sometimes you're better lost than to be seen  
Well, don't look away from the arms of a moment  
Don't look away from the arms of tomorrow  
Well, don't look away from the arms of a moment  
Don't look away from the arms of love
