Chaos

Byung-Woo Lee

Complication's my claim to fame
And I can't believe there's another
Constantly just another
I can't avoid what I can't control
And I'm losing ground
Still I can?t stand down
And I know, yeah I know, yeah

[Chorus]
I know you stay true when my world is false
Everything around's breaking down to chaos
I always see you when my sight is lost
Everything around's breaking down to chaos

It?s hard to trust anyone again
After all the let downs I've been through
Haunted by what I've been through
Air still trapped while I still can't breathe
And I'm screaming out
Give me hope somehow
And I know, yeah I know, yeah

[Chorus x2]

Chaos, chaos
I know you stay true, yeah
I know you stay, yeah, yeah, yeah

I know you stay true, everything around's breaking down
I know you stay true, everything around's breaking down

[Chorus x2]
