I Was Wrong

Bobby Valentino

Wishing on a lonely star, wondering just where you are
And if you ever think about me girl
If I could go back in time, I guarantee youll still be mine
But reality is that youd gone awayNow it's all so sad, I didn't even realize what I had
Now I gotta find a way to make it through this day
I was wrong, I was wrong
Baby, I was wrong, so wrongLove's such a mystery, there's no limit to what it can teach
If you listen to what's in your heart
These tears cry don't tell the truth of just how much I mean to you
And how my life would never be the sameNow it's all so sad, I didn't even realize what I had
And now I gotta find a way to make it through this day
I was wrong, I was wrong
Baby, I was wrong, so wrongBaby, I was wrong
Sorry, I was wrong
Baby, I was so wrong
Sorry, I was so wrong, so wrongBaby, I was, said woo, woo, woo, baby
Sorry, I was so wrong, so wrong
Baby, I was, sorry, I was I'm so sorry said, baby
Baby, I was, I was wrong, babySorry, I was, so wrong, so wrong, baby
Baby, I was, sorry I was, so wrong, baby
All I need is one more chance
Said one more chance, babyI'm sorry, so sorry, sorry,
Baby give me one more chance
I love you, baby
I just didn't realize, yeah, yeah, yeah, yeah, yeahSaid, baby, said I was wrong, yeah, yeah, yeah, yeah
Tim and Bob play it for me, play it for me
Cant nobody feel me but ya'll
I was wrong, babe, I was wrong, baby, I'm sorry
Will you just please forgive me, just one more chance
