And we the dudes that your girlfriend stalking
Yea im'a own it like I never was
Hitting you harder then ever with a better buzz
For light years, to infinity and back
The better beat on a track, yes

Is this chip stack, Enough chit chat
Understand this, this is a miss match
I'm on a steady grind, I'm never ever slowing
Clever as ever flowing, Making some cheddar and going

With a can of it or not, please light it up soon
In a beat out room
