My Guitar

Dear Nora

Well, I know it's real uncool to say
You don't need an amp to blow me away
Don't need to turn up, plug in or go very far
Just strum a chord on my guitar
Well, my guitar is love
And my guitar's all I need
And my guitar's so special
'Cause it plays the songs, not me
Well, I can take my guitar to the beach
And strum out a pop masterpiece
I work out my favorite songs
I can do it myself or play along
Well, my guitar is love
And my guitar's all I need
And my guitar's so special
'Cause it plays the songs, not me
And I don't know what would happen
If I lost my guitar
I'd never find another one
Like the last one I adored
It's my guitar
And I guess that when shove comes to push
An acoustic guitar doesn't mean you're a wuss
And when I'm sick of hearing noise
I sit right down with one of my favorite toys
Well, my guitar is love
And my guitar's all I need
And my guitar's so special
'Cause it plays the songs, not me
It's my guitar
