

Show Me The Way Back To Your Heart

[Gloria Estefan](#)

I remember days, nights were never cold
I had you in my life, I had you here to hold
And I remember love warm as a summer day
But I lost you and I lost my way
Now I'm in the rain begging you please, pleaseBaby, won't you show me the way back to your heart?
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your armsLead me backEvery night another lonely street I walk down alone
Searching for a light, your light to lead me home
Leave a candle in the window and let it shine for me
Take my hand and take these tears away
I can't take the pain, I'm on my knees, pleaseBaby, won't you show me the way back to your heart?
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your armsTake my hand and take me in your arms
I'm out in the dark
Down on my knees, pleaseShow me the way back to your heart
Let me see a sign to know if I'm close or far
Lead me back to the road that leads back to your arms
To your arms, to your arms
