

# Holding On

Alex Band

I am awake  
No longer sleeping  
I made my mistakes  
It's what I was needing  
And now I'm breaking away from the crowd  
I wanna just scream aloud  
Hey no one can stand in my way

I believe I'm holding on to a dream  
And staying strong  
Can't you see  
I'm holding on  
Holding on  
Holding on to a dream

I've made up my mind  
This fire is burning  
I'll follow the signs  
These pages are turning  
And now I'm dancing alone in the moonlight  
Closing my eyes  
It just feels right  
Letting my heart lead the way

I believe I'm holding on to a dream  
And staying strong  
Can't you see  
I'm holding on  
Holding on  
Holding on to a dream

You know I can't do this alone  
A house could never make a home  
And now I'm breaking away from the crowd  
I wanna just scream  
Hey no one can stand in my way

I believe I'm holding on to a dream  
And staying strong  
Can't you see

I'm holding on  
Holding on  
Holding on to a dream  
Holding on to a dream  
Holding on to a dream  
Holding on to a dream  
Hold on
